VoiceCoder

Date: November 24,2025
Team:Alina, Maryum, Laiba

What We Built:

· Working website with dark theme
· Buttons that add C++ code to editor
· Fake compiler that shows output
· All features working together

Team Work:

Alina: Made website design and layout
Maryum:Added voice command buttons
Laiba:Added compile and output system

What Works:

✓ Website looks professional
✓Buttons add C++ code when clicked
✓Compile button shows output
✓All code works together
